

**VIDEO-DANCE SHOWCASE**

Once again Companhia de Dança de Almada is organizing a large forum for performing, dancing, interaction and meetings. A large number of participants, (including specialists, professionals and promoters), as well as general and specialized audiences are expected to attend, with various forms of media promotion.

Directors, professional choreographers and/or dance companies are welcome to submit their work for presentation at the Video-Dance Showcase.

The deadline for **submission of proposals** is **April 15, 2015** (as per postmark).

The Selection Board will **decide on the selected projects** until **May 31, 2015**.

## **1. Conditions offered by the organisation**

- The organisation will promote the event, being responsible for the programming and promotion of the performances/exhibitions;
- The organisation will provide space and technical conditions for the presentation of selected videos;
- The works will be projected on screen, (DVD format);
- After the selection process is complete, artists will be informed of the exact date of exhibition of their works;
- The organisation will be allowed to record and photograph the event and use excerpts of the pieces for promotion, archive and educational purposes;
- The authors will be invited to attend the screening, if they have the chance to do so.

## **2. Presentation of proposals**

The projects must be:

- Presented by video directors, choreographers, dance companies or other related institutions;
- **Sent on DVD** in one of the following formats **mpeg4, avi or mov**; dimension **16/9, Pal Sistem.**;
- Accompanied by a printed **application form**, duly completed. Please request it from the organisation by e-mail or download it at [www.cdanca-almada.pt/festival](http://www.cdanca-almada.pt/festival);
- Accompanied by one **digital photo** of the work (minimum dimension 1mb);
- Accompanied by any documents considered important to understand the aim/s of the project;
- Of duration equal to or less than 10 minutes.

### 3. Conditions of the presentation

- The authors of the selected works must be prepared to sign a document offering copyright permission for public viewing;
- The organization will choose the location and time of presentation;
- Works exceeding 10 minutes will **not be** accepted.

### 4. Selection of proposals

The proposed work will be selected by an expert jury in the area of video and dance, according to the following criteria:

- Technical and artistic quality of the video;
- Development of the concept;
- Quality of the presented dance.
